Area Pickleball enthusiasts are working to construct 4 dedicated Pickleball courts in Vergas, MN, and we need your help. The group is working with the City of Vergas, and plan to place the courts near the existing baseball field. We need to raise all of the funds for this project, with a goal of \$130,000. We are pleased to have West Central Initiative as our fiscal host, ensuring that all donations are tax deductible. The dollars will come through grants, donations from businesses, lake associations, foundations, families and individuals.

We are thrilled to announce that the naming rights to this wonderful facility have been secured. A huge thank you to the Franklin Fence Company and the Franklin Family for their generous donation.
