

WCA *Vision 2025*
WEST CENTRAL AREA
Education Foundation

Supporting student achievement. Enriching student life.

We are Knights.

*Knights are known to be noble, courageous, and generous.
They are fierce, loyal champions.*

The West Central Area Education Foundation Vision 2025 Campaign Committee is raising \$2.5M to support our students and community by establishing an endowed Academic Enrichment Fund and creating a Wellness Center.

“ We are committed and energized.”

In late 2021, a group of energized West Central Area Schools supporters embarked on a planning process to enrich the lives of our students in perpetuity. Building on the successes of the WCA Education Foundation, we recognized an opportunity to re-imagine the future of the Foundation—and how it can support students and staff into the future.

We are proud of our planning process. Led by a steering committee comprised of community members, administrators, alumni, students, and faculty, the inspiration for Vision 2025 is the WCA students.

Committed and energized by the fundraising challenge, with these funds, we will:

- Support academic excellence into the future.
- Connect students with extraordinary opportunities in and outside of the classroom.
- Enrich student and community lives with a space to connect, challenge, and grow their minds and bodies.

**Preparing Knights for a
successful tomorrow.**

STUDENTS & LEARNING

The \$1M Academic Enrichment Fund—an endowed fund—will enhance curriculum, augment student excellence, and broaden student thinking—preparing them for a successful future.

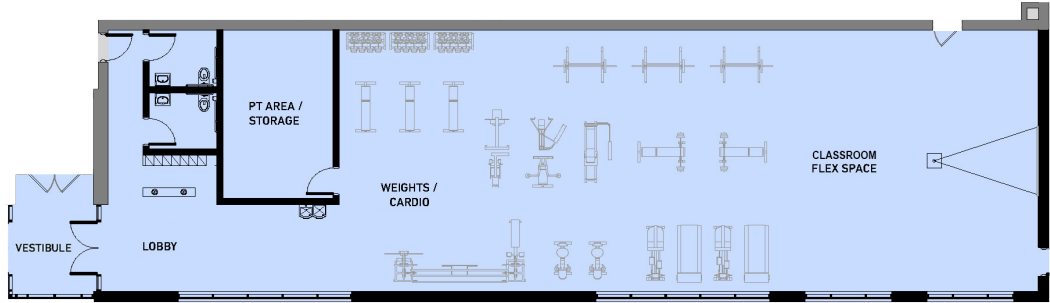

Earnings from the fund will supplement district budgets and bolster programs by offering intentional opportunities for students. These experiences will create noble leaders and provide essential and meaningful activities—bridging classroom environments to the real world.

The Wellness Center will be an addition to the south side of the existing WCA Secondary School.

SCHOOL & COMMUNITY WELL BEING

The \$1.5M Wellness Center—a new 3,500 square foot classroom—will provide a space for collaboration and active learning for all activities and levels of participation. The Wellness Center will be an accessible addition to the WCA Secondary School and will be a place for students to learn and practice healthy lifestyles—preparing them to be active, healthy, and engaged citizens. The Wellness Center will be open to the community during non-student use hours.

WEST CENTRAL AREA SCHOOL DISTRICT IMPACT

For 30 years, WCA students, alumni, and staff have impacted and shaped our local communities.

K-12 Enrollment
773

Free pre-school for all families

West Central Area School District Communities: Barrett, Elbow Lake, Hoffman, Kensington, and Wendell
Counties: Douglas, Grant, Otter Tail, Pope, and Stevens

The West Central Area Education Foundation's mission is to provide supplemental funding to enhance the academic and learning environment of WCA Schools through community and alumni support.

Join the Vision

Vision 2025 is all about imagining the future of West Central Area Schools.

“ **We can't do it alone.** ”

We are looking for partners—people who are willing to generously support the vision of enhancing the lives of WCA students and the communities in which they live.
